REGULATIONS FOR ONLINE EXAMINATIONS

Exam Purpose and Focus

The exam gives you an opportunity to demonstrate personal mastery of lessons learnt during this course. You will be judged, not by the amount of material you write, but by a demonstration of critical thinking and writing. Special regard will be paid to evidence of a robust scholarly integration of theories, principles and practice.

Exam Procedure

1. Please note the following carefully:
2. All parts of the exams will be available in the Assignments and Tests Folder in Blackboard from (date-time) and must be completed by (date-time)
3. Once you open any part of the exam, you must complete that part within the assigned time. After this it will close, and you can no longer access it.
4. All essays must be written in the exam platform and NOT on a separate paper. NO ATTACHMENTS or COPY AND PASTE are allowed.
5. Ensure you have reliable internet and adequate time before you start any part of the exam.
6. The university will set aside an exam room for students who would like to take advantage of the university infrastructure as they write the online exam
7. You MUST NOT refer to any books, notes, or class discussions from your computer or notebooks
8. You MUST NOT share or discuss your answers or exam questions with any member of the class during the exam week, even if they have already done the exam.
